

**Yoga inspired movement, storytelling, music
and adventure classes and parties for children**

Hello Friends,

A very warm welcome to Nicky McAllister who is our new Tatty Bumpkin teacher. Nicky will start off by running the Saturday morning class. The next teacher training course will run in December. If you would like to find out more about becoming part of the world of Tatty Bumpkin please contact me for more details.

Many of you may have come across a little feature about Tatty Bumpkin in The Mail on Sunday (9th Nov) – Tatty Bumpkin sessions are going to be run at First Choice resorts in Spain, Portugal and Mexico! What great news – especially for those of you who have booked or are planning to book with First Choice.

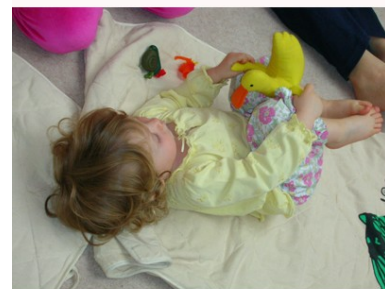

Just to let you know that I am planning to increase the number of sessions next year but I NEED YOUR FEEDBACK. It would help me so much in planning further sessions to get an idea of preferences regarding days and locations. So please drop me an email. Thanks x

I will be running a taster session at the NCT's Xmas Coffee Morning at Biddenham Pavilion on Weds 26th Nov, attending Castle Lower School's Xmas Fair on Sunday 7th December as well as continuing to spread the word about the benefits of Tatty Bumpkin to children and their grown-ups. Wishing you all a bendy, giggly rest of November and let's hope the rain actually stops for a while! Love, Kate x
